SALIENT FEATURES

- Available in 5, 6, 7 & 8 feet sizes.
- Designed to operate with 45 hp or more tractor range.
- Suitable for shredding wheat & paddy straw, sugarcane thresh, maize straws etc.
- Effective ratooning of sugarcane results in stronger root zone and bumper crop field.

Mulching benefits

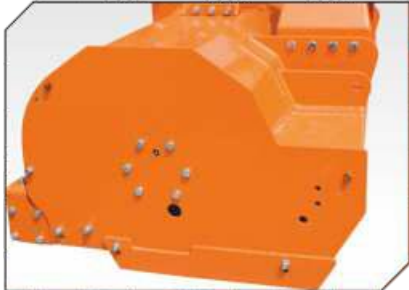

- Creates vegetative mulching
- Helps maintaining soil temp.
- Reduce weed growth.

Bigger rotor drum / chamber chawing better & effective residue burning without chalking

Dynamically balanced seamless rotor pipe encourages vibration free mulching

Skid plate protects the mulcher from damage as it prevents the hammer or blades from coming in contact with soil.

Adjustable roller height ensures compact & ever spreading of mulching rayer
